The following are procedures for getting players to and from the practice field. Two scenarios exist:

1. Students Enrolled in After Care:

All players enrolled in After Care should report to their location for attendance check-in.

These players will be picked up at the After Care Location by DCS personnel and escorted to the practice field (Devon Aire Park).

When practice is finished, they will be returned to the After Care Location by DCS personnel. No child enrolled in After Care will be released to a parent on the practice field (Devon Aire Park). Parents must check-out and pick-up their child at the After Care location.

2. Students Not Enrolled in After Care:

Grades Kindergarten and First:

For safety reasons, parent must bring his/her child to the area in front of the Cafeteria by 3:25 pm where they will join the rest of the players.

When practice is finished, they will be returned to the area in front of the Cafeteria where they may be picked up.

Grades Second through Fifth:

These students should proceed to the area in front of the Cafeteria at the dismissal bell. These students will be supervised by DCS personnel and at 3:25 pm combined with After Care players to be escorted to the practice field.

When practice is finished, they will be returned to the area in front of the Cafeteria or After Care accordingly where they may be picked up.

The below applies to all players:

For SAFETY REASONS parents are not permitted to pick up their child from the practice field (Devon Aire Park).

DCS rain outs procedures:

1. Before practices:

- E-mail to family
- Text message to phone number on record
- Hot line @ DCS - practice status
- DCS will inform school ASC Management by phone about cancellation

2. During practices:

- Students enrolled in the ASC will be returned to the ASC location by DCS personnel (lead coach).
- Students not enrolled in ASC will be taken to nearest school indoor location (i.e. school hallways, cafeteria). Lead coach and team coaches will remain with students until all parents / authorized person have been reached and pick up has been secured.
- We will endeavor to use good judgment in relation to these matters.

Lead coach / Team coach screening, back ground check:

1. Team coaches / High School students – MDCS Student number
2. Lead Coaches – Level 2 screening proof
